

# Welcome from the President

Hello, I'm Justin Bland, president of the NWA ASCE branch. I'd like to take this opportunity to welcome you to our 8<sup>th</sup> annual Day of Training, and to thank you for your support of our branch. Without members, sponsors and friends of the organization, we would not be able to host events such as this.

The Day of Training not only provides a great opportunity for professionals to earn professional development hours and a networking opportunity for engineers in NWA, but it also acts as a great point of interaction between the professional and the student chapter. Speaking of the students, as always, the proceeds of this event will go towards providing scholarships in the Civil Engineering Department at the University of Arkansas.

I hope that you find this day to be a valuable professional development opportunity. Please feel free to contact myself or any of the branch officers with any input you may have on how to improve the event in the future.

Sincerely,

Justin Bland, PE, M. ASCE, CFM  
President, NWA ASCE Branch

P.S. – Don't forget to stay connected with NWA ASCE on social media!

# Professional Development Checklist

March 10, 2016 | Fayetteville Town Center, Fayetteville, AR

Entity	Presentation Title	Attend?
ADS	Sanitite HP by Kevan Parker, PE	<input type="checkbox"/>
AHTD	Northwest Arkansas Transportation Update by Steve Lawrence, PE	<input type="checkbox"/>
Arkansas House of Representatives	Governor's Working Group on Highway Funding by State Rep. Dan Douglas	<input type="checkbox"/>
APC&EC	Engineering Ethics by Charles Moulton, JD	<input type="checkbox"/>
Brown & Brown	Best Practices when Your Project Goes to Surety by C. Tim White, CIC	<input type="checkbox"/>
Cellfill	Cellfill: Mobile. Cellular. Concrete. By Sarah Kellert, PE & James Diver	<input type="checkbox"/>
Contech	Contech Innovative Site Solutions by Sarah Kellert, PE	<input type="checkbox"/>
Enviro-Care	Screening 201 – Advanced Applications by Jesus Rodriguez	<input type="checkbox"/>
Garver	Prior Planning Prevents Poor Performance by Jerry Martin, EI	<input type="checkbox"/>
Hobas	Understanding Fiberglass Pipe Standards and Effective Performance Specifications by John Simonson, PE	<input type="checkbox"/>
Hutchens Construction	Mastic Surface Treatments for Pavement Maintenance by David Reynolds	<input type="checkbox"/>
J-Drain	Insights in Sub-Surface Drainage Performance by Wilson Harvie	<input type="checkbox"/>
PPG	Water and Wastewater Coatings by Toni Persutti	<input type="checkbox"/>
Profile	Innovations in Vegetation Establishment & Erosion Control by Melanie Fuhman	<input type="checkbox"/>
Tencate	Advancements in Reinforcement Geosynthetics by Brian Baillie, PE	<input type="checkbox"/>
University of Arkansas	Condition of Asbestos-Cement Pipe within the Bella Vista Village Water Distribution System by Clinton Wood, PhD, EI	<input type="checkbox"/>
USACE	Regulatory Program Update by Scott Kelly	<input type="checkbox"/>
Western Excelsior	High Performance Turf Reinforcement Mat by Shannon Leech	<input type="checkbox"/>
Western Specialty	New Methods of Concrete Restoration by Robert Young	<input type="checkbox"/>

Total Professional Development Hours Earned (7 possible)
