

We invite you to join us for the eighth annual **Day of Training** hosted by the **Northwest Arkansas American Society of Civil Engineers**. It is a great opportunity for engineers to network with industry leaders, learn about new and interesting developments within the profession, and earn up to 7 Professional Development Hours.

2016 Day of Training will include three general focus areas:

1. Construction
2. Transportation and Drainage
3. Water and Wastewater

All proceeds go towards civil engineering scholarships for University of Arkansas students! In 2015, NWA ASCE awarded a total of \$2,500.

ASCE has been my steady and reliable source for professional growth and networking for at least 40 years.

Bobbie Shields, P.E., M. ASCE

Event Details

The event will be held at the Fayetteville Town Center, located at 15 W. Mountain St on the south side of the Fayetteville Square. Registration begins at 8:00 am. Classes start at 8:30 am. Classes will run for approximately 1 hour, with the last class ending at 5:00 pm.

Registration includes refreshments during the conference and lunch. Free parking will be available in the Town Center Garage, accessible from E Rock St or S East Ave.
